

## **Message from the Guild President- Muhammad Magaji Ja'afar**

It's yet another monumental moment of this great university of ours. Cavendish University Uganda. Nine graduations down the line!

Cavendish University has no doubt stood out among its contemporaries at different instances and on different occasions. On behalf of the Cavendish students' base, we are proud to be seen and called a Cavendish product. We are proud to be associates of the Africa Model University (Cavendish University Uganda)!

I have this to tell our guests, our parents and all the friends of Cavendish University Uganda present here today. Cavendish University has a way of bringing out the best in you, impacting you positively and preparing you for the larger world. Cavendish University has trained and produced Captains of industries, Managers, Innovators, ICT engineers, Communicators, Generals in the military, Ministers, Lecturers, Researchers, Movers and Shakers in the world of politics.

To all the alumni and the fresh graduates of the moment, we are proud of you and we encourage you to keep the momentum. Cavendish is our home and we remain one indivisible family of this great institution. Keep the image of Cavendish University glowing!

The theme of this year's Graduation: “***Research and Innovation as Tools for Growth and Development***”, is the Strength of My Cavendish.

While seeking a deep and thorough understanding of student's needs, joys, hassles and trends, Cavendish University Uganda is broadly known for its skilled approach on student-centricity and using curiosity, keen intuition and sense-making to apply insights into the curriculum of the studies in Cavendish University.

On Innovation, Cavendish University Uganda focuses on generating and optimizing new processes, products and projects that drive the education system and also avail

knowledgeable platform that allows students to exhibit their talent and skills accordingly and respectively, enabling students at various level to reach new insights-based solutions.

Our philosophies, tools and techniques are centered around Informative, Transformative and Creative Knowledge and Skill Acquisition.

We combine them to promote, project and develop the potential of Africa, focusing on what the students need to achieve their dreams, propelling the futuristic and sustainable development of Africa. Our objective is to attain the Africa model University. And I can assure you, the future of Africa is bright and the world youth empowerment crusade is achievable with Cavendish University.

**Success begin at Cavendish University Uganda.**

**Thank you and may God bless you all.**
